高校3年・受験生　SS-ENG-U01　英語　和訳・説明問題

問題プリント 英語　和訳・説明問題　問題プリント 問題

A 基本確認 20問・B 標準演習 20問・C 思考力・記述 10問・D 典型誤答訂正 10問

全 60 問　260 点　対応する授業プリント：SS-ENG-U01-LESSON

組　番　氏名	／260 点

前提となる学習（未習なら先に復習）

- 長文読解：パラグラフの構成とディスコースマーカーから、段落の役割と筆者の主張をつかめること HS-ENG-U09
- 関係詞：関係代名詞 what・関係副詞・非制限用法を見分け、修飾関係を正しく取れること HS-ENG-U06
- 仮定法：仮定法過去・過去完了と、if の省略による倒置（Were it not for / Had S p.p.）を読めること HS-ENG-U08
- 比較：the 比較級, the 比較級、no more … than、not so much A as B などの比較構文の意味を取れること HS-ENG-U07

授業前の確認

- 5文型と、関係詞・分詞・不定詞・動名詞による修飾関係を見分けられる（HS-ENG-U01・U04〜U06）。
- 仮定法・比較構文の基本形（as if / Were it not for / the 比較級, the 比較級 / no more … than）を知っている（HS-ENG-U07・U08）。
- 段落の役割（主張・具体例・譲歩）とディスコースマーカーの働きを知っている（HS-ENG-U09）。

発展・応用への接続

- 英語　自由英作文・和文英訳：構文を見抜いて日本語にする力を逆向きに使い、和文英訳・自由英作文で正確な英文を組み立てる SS-ENG-U02
- 国語　現代文記述：指示内容を具体化し「〜ということ。」でまとめる説明答案の型を、現代文の記述問題にも生かす SS-JPN-U01
- 英語リーディング　情報の検索と要旨把握：精読で身につけた構文の読み取りを、共通テストの速読（言いかえの照合）で正確さの裏づけとして使う CT-ENG-U01

A　基本確認	B　標準演習	C　思考力・記述応用	D　典型誤答訂正
20 問	20 問	10 問	10 問

1. A から順に取り組み、B 以降は解答解説冊子の「思考の糸口」を読んでから解き直しましょう。
2. C・D は途中の考え方を答案として書きなさい。部分点の基準は解答解説冊子にあります。
3. 答えが分数になるときは既約分数、根号を含むときは根号の中をできるだけ小さい自然数にしなさい。

A　基本確認

定義・公式をその場で使えるかを確かめる。全問を短時間で解けるまでくり返す。

A-01 次の英文の下線部 Walking の働きとして最も適切なものを選びなさい。　2点

Walking along the river every morning keeps my grandfather healthy.

概念理解　定義・公式の適用条件の確認

ア　分詞構文
イ　名詞を後ろから修飾する現在分詞
ウ　動名詞（文の主語）
エ　進行形をつくる現在分詞

A-02 次の英文の下線部 As の働きとして最も適切なものを選びなさい。　2点

As we grow older, our memories of childhood become less clear.

概念理解　定義・公式の適用条件の確認

ア　比例「〜するにつれて」
イ　様態「〜のように」
ウ　理由「〜なので」
エ　譲歩「〜だけれども」

A-03 次の英文の下線部 What の働きとして最も適切なものを選びなさい。　2点

What surprised me was his calm voice.

概念理解　定義・公式の適用条件の確認

ア　感嘆文の what
イ　関係副詞
ウ　疑問詞「何が」
エ　関係代名詞（「〜すること・もの」）

A-04 次の英文の下線部 It の働きとして最も適切なものを選びなさい。　2点

It was not until midnight that the rain stopped.

概念理解　定義・公式の適用条件の確認

ア　形式主語の it
イ　前に出た名詞を指す代名詞
ウ　時間を表す it
エ　強調構文の it（not until midnight を強調）

A-05 次の英文の和訳として最も適切なものを選びなさい。　2点

The idea that intelligence is fixed at birth has been challenged by many recent studies.

計算力・基本操作の反復　典型ミス・誤答分析

ア　近年の多くの研究によって、知能は生まれたときに決まっていることが確かめられた。
イ　知能は生まれたときに決まっているという考えは、近年の多くの研究に挑戦してきた。
ウ　知能は生まれたときに決まっているという考えは、近年の多くの研究によって疑問視されている。
エ　知能を生まれたときに決めた考えは、近年の多くの研究によって疑問視されている。

A-06 次の英文の和訳として最も適切なものを選びなさい。 2点

Only after the experiment had been repeated many times did the researchers accept the result.

計算力・基本操作の反復　典型ミス・誤答分析

ア　実験が何度も繰り返されたあとになって初めて、研究者たちはその結果を受け入れた。

イ　研究者たちは、何度も繰り返した実験のあとでだけ、その結果を受け入れなかった。

ウ　実験が何度も繰り返されたあとで、研究者たちはその結果を受け入れたのだろうか。

エ　研究者たちが実験を何度も繰り返したのは、その結果を受け入れたあとだけだった。

A-07 次の英文の和訳として最も適切なものを選びなさい。 2点

However carefully you plan a trip, something unexpected is bound to happen.

計算力・基本操作の反復　典型ミス・誤答分析

ア　どれほど注意深く旅行の計画を立てても、何か予想外のことに縛られる。

イ　どれほど注意深く旅行の計画を立てても、何か予想外のことが必ず起こるものだ。

ウ　旅行の計画をどのように注意深く立てたかによって、予想外のことが起こるかどうかが決まる。

エ　しかし、注意深く旅行の計画を立てれば、予想外のことは起こらないはずだ。

A-08 次の英文の和訳として最も適切なものを選びなさい。 2点

Our character is shaped less by what happens to us than by how we respond to it.

計算力・基本操作の反復　典型ミス・誤答分析

ア　私たちの人格は、自分の身に起こることによっても、それへの対応によっても、ほとんど形づくられない。

イ　私たちの人格が小さくなるのは、自分の身に起こることのためではなく、それに対する反応のためである。

ウ　私たちの人格は、自分がどう対応するかよりも、自分の身に起こることによって形づくられる。

エ　私たちの人格は、自分の身に何が起こるかよりも、むしろそれにどう対応するかによって形づくられる。

A-09 次の英文の、文全体の述語動詞（主節の主語に対応する動詞）として最も適切なものを選びなさい。 2点

Whether the new rule that the town introduced will actually reduce waste depends on how seriously each household follows it.

計算力・基本操作の反復　概念理解

ア　depends　　イ　will reduce　　ウ　follows　　エ　introduced

A-10 次の英文の、文全体の述語動詞（主節の主語に対応する動詞）として最も適切なものを選びなさい。 2点

The scientist, who had spent ten years on the project, said that what surprised her most was the speed at which the results appeared.

計算力・基本操作の反復　概念理解

ア　said　　イ　was　　ウ　appeared　　エ　had spent

A-11 次の英文の、文全体の述語動詞（主節の主語に対応する動詞）として最も適切なものを選びなさい。 2点

The students who took part in the program that the city started last year say that it changed the way they think about their town.

計算力・基本操作の反復　概念理解

ア　say　　イ　started　　ウ　think　　エ　took part

A-12 次の英文の、文全体の述語動詞（主節の主語に対応する動詞）として最も適切なものを選びなさい。 2点

The fact that the store, which had been popular for decades, closed so suddenly surprised everyone who lived in the neighborhood.

計算力・基本操作の反復　概念理解

ア　lived　　イ　had been　　ウ　closed　　エ　surprised

次の英文（**“Reading Slowly in a Fast World”**）を読んで、あとの問いに答えなさい。

We read more words today than ever before: messages, news headlines, posts, and comments, one after another. (1) But reading more is not the same as reading well, and there are signs that the habit of skimming is changing the way we approach longer texts.

When we read on a screen, we tend to jump from one line to another, looking for key words. This is useful when we only need a piece of information. (2) The trouble is that we may come to read everything in this way, including texts that ask us to follow a long argument or to imagine another person's feelings.

Deep reading is slow by nature. It requires us to keep earlier sentences in mind, to question what the writer is saying, and to connect it with what we already know. (3) None of this can be done in a hurry.

(4) It is not that we have lost the ability to read deeply, but that we are given fewer and fewer occasions to use it. Like a muscle, the ability weakens when it is not used.

オリジナル

A-13 英文“Reading Slowly in a Fast World”について答えなさい。 2点

本文中の “It requires us to keep earlier sentences in mind, to question what the writer is saying, and to connect it with what we already know.” の it が指す内容として最も適切なものを選びなさい。

定義・公式の適用条件の確認　概念理解

ア　筆者が言っていること　　イ　前の文

ウ　深い読み　　エ　画面

A-14 英文“Reading Slowly in a Fast World”について答えなさい。　2点

本文中の “This is useful when we only need a piece of information.” の This が指す内容として最も適切なものを選びなさい。

定義・公式の適用条件の確認　概念理解

ア　ゆっくり深く読むこと

イ　メッセージやニュースの見出しを書くこと

ウ　長い議論をたどること

エ　画面上で、キーワードを探しながら行から行へ飛ばし読みすること

次の英文（**“Why We Forget”**）を読んで、あとの問いに答えなさい。

Most people regard forgetting as a weakness, a sign that the brain is not working as well as it should. (1) Yet a growing number of researchers argue that forgetting is not so much a failure of memory as a necessary part of it. Every day we take in far more information than we could ever use, and if the brain kept all of it, finding what really matters would become extremely difficult.

Consider what happens when you move to a new house. For the first few weeks, you may find yourself walking toward the place where the light switch used to be. (2) Only when the old habit fades does the new one become automatic. In this sense, forgetting clears space so that more useful knowledge can take its place.

This does not mean that all forgetting is good. Losing the memory of a friend's name or an important appointment can cause real trouble. (3) What matters is not whether we forget, but what we forget. A healthy memory, researchers suggest, is one that keeps what is likely to be useful and lets go of the rest.

(4) Seen in this light, the occasional lapse of memory that worries so many of us may be less a symptom of decline than evidence that the brain is doing its job.

オリジナル

A-15 英文“Why We Forget”について答えなさい。　2点

本文中の “A healthy memory, researchers suggest, is one that keeps what is likely to be useful and lets go of the rest.” の the rest が指す内容として最も適切なものを選びなさい。

定義・公式の適用条件の確認　概念理解

ア　役に立ちそうにない、残りの情報　　イ　休息の時間

ウ　役に立ちそうな情報　　エ　研究者たちの残りの意見

次の英文（**“Judging Food by Its Looks”**）を読んで、あとの問いに答えなさい。

Walk into any supermarket and you will see rows of vegetables that look almost identical: carrots of the same length, tomatoes of the same bright red. (1) What you will not see are the many vegetables that never reached the shelves simply because they did not look right.

Farmers know that stores are unwilling to buy vegetables with unusual shapes or small marks, even when they taste exactly the same. As a result, a considerable amount of perfectly good food is thrown away before it leaves the farm. (2) It is not the quality of the food that decides its fate, but its appearance.

Some shops have begun to sell such vegetables at lower prices, and many customers have been happy to buy them. (3) This suggests that the demand for perfect-looking food may have been created as much by the stores as by the shoppers themselves.

(4) Had we been willing to accept vegetables as they are, much of this waste could have been avoided. The question we should ask is not how vegetables look, but whether we are wasting what the earth has produced.

オリジナル

A-16 英文“Judging Food by Its Looks”について答えなさい。　2点

本文中の “This suggests that the demand for perfect-looking food may have been created as much by the stores as by the shoppers themselves.” の This が指す内容として最も適切なものを選びなさい。

定義・公式の適用条件の確認　概念理解

ア　見た目のよくない野菜を安く売ったところ、多くの客が喜んでそれを買ったこと

イ　見た目の悪い野菜の味がよいこと

ウ　店が見た目の悪い野菜を買いたがらないこと

エ　農場で多くの食べ物が捨てられること

A-17 次の英文の下線部 figures の文脈上の意味として最も適切なものを選びなさい。　2点

These figures show that the population is getting older.

計算力・基本操作の反復　概念理解

ア　人物　　イ　姿　　ウ　数字・数値　　エ　図形

A-18 次の英文の下線部 gave way の文脈上の意味として最も適切なものを選びなさい。　2点

The old bridge gave way under the weight of the truck.

計算力・基本操作の反復　概念理解

ア　道を教えた　　イ　崩れた　　ウ　道を譲った　　エ　手放した

A-19 次の英文の下線部 figure out の文脈上の意味として最も適切なものを選びなさい。　2点

She could not figure out why the machine had stopped.

計算力・基本操作の反復　概念理解

ア　計算する　　イ　理解する・わかる　　ウ　図に描く　　エ　姿を現す

A-20 次の英文の下線部 address の文脈上の意味として最も適切なものを選びなさい。 2点

The government must address the problem of rising prices.

計算力・基本操作の反復　概念理解

ア　演説する　　イ　住所を書く

ウ　（問題に）取り組む　　エ　呼びかける

B　標準演習

定期考査・共通テストの標準レベル。解法の選択理由を言えるようにする。

B-01 次の英文を和訳しなさい。 4点

Only after the experiment had been repeated many times did the researchers accept the result.

計算力・基本操作の反復　日常・他教科への応用

B-02 次の英文を和訳しなさい。 4点

The idea that intelligence is fixed at birth has been challenged by many recent studies.

計算力・基本操作の反復　日常・他教科への応用

B-03 次の英文を、構文（無生物主語＋bring O to 場所「（主語）によって O は〜に着く」、過去分詞の後置修飾）に注意して和訳しなさい。 4点

A few minutes' walk brought us to a small lake surrounded by tall trees.

計算力・基本操作の反復　日常・他教科への応用

B-04 次の英文を、構文（However＋副詞＋S V「どれほど～しても」（譲歩）、be bound to do「必ず～する」）に注意して和訳しなさい。 4点

However carefully you plan a trip, something unexpected is bound to happen.

計算力・基本操作の反復　日常・他教科への応用

B-05 次の英文を、構文（less A than B「A よりもむしろ B」、関係代名詞 what・間接疑問 how の名詞節）に注意して和訳しなさい。 4点

Our character is shaped less by what happens to us than by how we respond to it.

計算力・基本操作の反復　日常・他教科への応用

次の英文（**“Finding Our Way”**）を読んで、あとの問いに答えなさい。

Not long ago, finding your way in an unfamiliar city meant studying a paper map, asking strangers for directions, and occasionally getting lost. Today, a smartphone tells us exactly where to turn. (1) Few would deny that this has made travel easier, but some researchers wonder what we have lost in exchange.

When we follow a paper map, we have to connect the picture in our hands to the streets around us. We notice a church on the corner or the shape of a park, and gradually we build a mental picture of the area. (2) A voice that tells us when to turn left or right requires no such effort, and as a result we may arrive at our destination with little idea of where we have been.

(3) This is not to say that we should throw away our phones. Rather, the point is that tools which do our thinking for us can also take away chances to develop our own abilities. (4) It is one thing to use a tool; it is quite another to depend on it so completely that we cannot manage without it.

B-11 英文“Judging Food by Its Looks”について答えなさい。　4点

下線部(1)（What you will not see are the many vegetables that never reached the shelves simply because they did not look right.）の和訳として最も適切なものを選びなさい。

概念理解　日常・他教科への応用

ア　見ることがないのは、見た目がよくないというだけで店頭に並ばなかった多くの野菜である。

イ　見た目がよいという理由だけで棚に並んだ多くの野菜を、あなたは目にしないだろう。

ウ　目にすることがないのは、単に見た目がよくないので棚に手が届かなかった多くの野菜である。

エ　あなたは何を目にしないのだろうか。それは見た目のよい野菜である。

B-12 英文“Judging Food by Its Looks”について答えなさい。　4点

下線部(2)（It is not the quality of the food that decides its fate, but its appearance.）の和訳として最も適切なものを選びなさい。

概念理解　日常・他教科への応用

ア　食べ物の品質が運命を決めないのは、その見た目のためである。

イ　食べ物の運命を決めるのは、見た目ではなく品質である。

ウ　食べ物の品質ではないものが運命を決め、見た目も決める。

エ　食べ物の行く末を決めるのは、品質ではなく見た目である。

次の英文（**“The Meaning of Silence”**）を読んで、あとの問いに答えなさい。

In many conversations, a pause of even a few seconds can make people uncomfortable. Someone quickly says something, anything, to fill the gap. (1) It is as if silence were an empty space that must be filled before it becomes embarrassing.

However, silence is not always empty. In some cultures, a short pause before answering shows that the listener is taking the question seriously. (2) To reply too quickly may even suggest that one has not thought about what the other person said. When people from such different backgrounds talk to each other, a pause that one person intends as respect can be taken by the other as a lack of interest.

(3) Misunderstandings of this kind are hard to notice, because neither speaker is aware that the other is following different rules. Each simply concludes that the other person is rude or unfriendly.

The solution is not to decide which rule is correct. It is to recognize that the meaning of silence, like the meaning of words, depends on the people who share it. (4) The more we are aware of this, the less likely we are to judge others by standards they never agreed to.

オリジナル

筆者が、深く読む能力を筋肉にたとえているのはなぜか。最も適切なものを選びなさい。

概念理解　定義・公式の適用条件の確認

ア　読書は体を鍛えるのと同じくらい疲れることを示すため。

イ　深く読む能力は、一度失うと二度と戻らないことを示すため。

ウ　深く読む能力も筋肉と同じように、使わなければ弱まることを示すため。

エ　運動をすると読む能力が高まることを示すため。

次の英文（**“Judging Food by Its Looks”**）を読んで、あとの問いに答えなさい。

Walk into any supermarket and you will see rows of vegetables that look almost identical: carrots of the same length, tomatoes of the same bright red. (1) What you will not see are the many vegetables that never reached the shelves simply because they did not look right.

Farmers know that stores are unwilling to buy vegetables with unusual shapes or small marks, even when they taste exactly the same. As a result, a considerable amount of perfectly good food is thrown away before it leaves the farm. (2) It is not the quality of the food that decides its fate, but its appearance.

Some shops have begun to sell such vegetables at lower prices, and many customers have been happy to buy them. (3) This suggests that the demand for perfect-looking food may have been created as much by the stores as by the shoppers themselves.

(4) Had we been willing to accept vegetables as they are, much of this waste could have been avoided. The question we should ask is not how vegetables look, but whether we are wasting what the earth has produced.

B-17 英文“Judging Food by Its Looks”について答えなさい。　4点

筆者が、見た目のよくない野菜を安く売る店の例を挙げたのは、何を示すためか。最も適切なものを選びなさい。

概念理解　定義・公式の適用条件の確認

ア　店が利益を上げる方法を示すため。

イ　客は見た目のよい野菜しか買わないことを示すため。

ウ　完璧な見た目への需要が、客だけでなく店によっても作られてきた可能性を示すため。

エ　見た目のよくない野菜は安くしないと売れないことを示すため。

次の英文（**“The Meaning of Silence”**）を読んで、あとの問いに答えなさい。

In many conversations, a pause of even a few seconds can make people uncomfortable. Someone quickly says something, anything, to fill the gap. (1) It is as if silence were an empty space that must be filled before it becomes embarrassing.

However, silence is not always empty. In some cultures, a short pause before answering shows that the listener is taking the question seriously. (2) To reply too quickly may even suggest that one has not thought about what the other person said. When people from such different backgrounds talk to each other, a pause that one person intends as respect can be taken by the other as a lack of interest.

(3) Misunderstandings of this kind are hard to notice, because neither speaker is aware that the other is following different rules. Each simply concludes that the other person is rude or unfriendly.

The solution is not to decide which rule is correct. It is to recognize that the meaning of silence, like the meaning of words, depends on the people who share it. (4) The more we are aware of this, the less likely we are to judge others by standards they never agreed to.

B-18 英文“The Meaning of Silence”について答えなさい。　4点

筆者が、どちらの規則が正しいかを決めることを解決策としないのはなぜか。最も適切なものを選びなさい。

概念理解　定義・公式の適用条件の確認

ア　規則を決めるには時間がかかりすぎるから。

イ　どちらの規則も間違っているから。

ウ　沈黙の意味は、言葉の意味と同じように、それを共有する人々によって決まるものであり、どちらか一方が正しいわけではないから。

エ　会話では沈黙をできるだけ避けるべきだから。

B-19　英文“The Meaning of Silence”について答えなさい。　4点

本文によれば、ある文化で答える前に短い間を置くのはなぜか。最も適切なものを選びなさい。

概念理解　定義・公式の適用条件の確認

ア　沈黙が気まずいので、話題を探すため。

イ　相手の話に関心がないことを示すため。

ウ　相手の言葉の意味がわからないため。

エ　相手の質問を真剣に受け止めていることを示すため。

次の英文（**“Reading Slowly in a Fast World”**）を読んで、あとの問いに答えなさい。

We read more words today than ever before: messages, news headlines, posts, and comments, one after another. (1) But reading more is not the same as reading well, and there are signs that the habit of skimming is changing the way we approach longer texts.

When we read on a screen, we tend to jump from one line to another, looking for key words. This is useful when we only need a piece of information. (2) The trouble is that we may come to read everything in this way, including texts that ask us to follow a long argument or to imagine another person's feelings.

Deep reading is slow by nature. It requires us to keep earlier sentences in mind, to question what the writer is saying, and to connect it with what we already know. (3) None of this can be done in a hurry.

(4) It is not that we have lost the ability to read deeply, but that we are given fewer and fewer occasions to use it. Like a muscle, the ability weakens when it is not used.

次の英文（**“Finding Our Way”**）を読んで、あとの問いに答えなさい。

Not long ago, finding your way in an unfamiliar city meant studying a paper map, asking strangers for directions, and occasionally getting lost. Today, a smartphone tells us exactly where to turn. (1) Few would deny that this has made travel easier, but some researchers wonder what we have lost in exchange.

When we follow a paper map, we have to connect the picture in our hands to the streets around us. We notice a church on the corner or the shape of a park, and gradually we build a mental picture of the area. (2) A voice that tells us when to turn left or right requires no such effort, and as a result we may arrive at our destination with little idea of where we have been.

(3) This is not to say that we should throw away our phones. Rather, the point is that tools which do our thinking for us can also take away chances to develop our own abilities. (4) It is one thing to use a tool; it is quite another to depend on it so completely that we cannot manage without it.

記述答案・論証・途中式の評価　定義・公式の適用条件の確認

次の英文（**“Why We Forget”**）を読んで、あとの問いに答えなさい。

Most people regard forgetting as a weakness, a sign that the brain is not working as well as it should. (1) Yet a growing number of researchers argue that forgetting is not so much a failure of memory as a necessary part of it. Every day we take in far more information than we could ever use, and if the brain kept all of it, finding what really matters would become extremely difficult.

Consider what happens when you move to a new house. For the first few weeks, you may find yourself walking toward the place where the light switch used to be. (2) Only when the old habit fades does the new one become automatic. In this sense, forgetting clears space so that more useful knowledge can take its place.

This does not mean that all forgetting is good. Losing the memory of a friend's name or an important appointment can cause real trouble. (3) What matters is not whether we forget, but what we forget. A healthy memory, researchers suggest, is one that keeps what is likely to be useful and lets go of the rest.

(4) Seen in this light, the occasional lapse of memory that worries so many of us may be less a symptom of decline than evidence that the brain is doing its job.
